

嘉義縣文光國際英語村

Chiayi Wenguang International English Village

縣長的話 Magistrate of Chiayi County

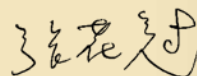

全球化的自由貿易時代，英語力是非常重要的競爭力。嘉義縣是一個英語教育資源受限的農業縣，為改善本縣英語學習環境及開拓孩子的國際視野，花冠有感於窮不能窮教育、苦不能苦孩子，決定把民國100年廢校的文光國小校地活化成英語村。

本縣文光國際英語村，以國王的邀約為主題，校區以「城堡」呈現，結合外國籍與本國籍合格英語教師共同設計出生動活潑的課程，透過情境教室學習，讓孩子沉浸在全英語的環境中，自然地去體會各式場景，與外籍教師的接觸誘發他們開口說英語，希望孩子在無壓力的情境中，學習如何與「外國人」溝通相處，讓學生不僅在村中能「快樂」地學習，離開英語村後，體認到英語學習的重要性，也能自然的開口說英語。

文光國際英語村的設置從民國100年的構思迄今順利營運，從無到有、從老舊校舍到新穎建物，投注相當多的心力，也感謝台塑企業的認養工程，讓嘉義縣的孩子有這麼良好的英語學習環境。

在嘉義縣文光國際英語村正式營運後，期盼孩子們能在英語村生活化的情境中，愉快且有效的學習英文，期許孩子成為在地關懷與國際競爭力的全方位人才，進而奠定日後語言學習的基礎。

嘉義縣長

English is very important in today's age of free trade and globalization. This is because English is the international language of commerce and it is vital that Chiayi county and its children are not left behind. Taiwan must remain competitive internationally and in order to do that the children must be successful. Children are the future, and we want them and Taiwan to have a bright future. This is why Hua-Guan commissioned the remodeling of Wenguang elementary school in 2011, which was converted into Wenguang International English Village (WIEV).

Wenguang International English Village has a medieval theme. The King of Wenguang would like to cordially invite you to his castle. There we have certificated foreign English teachers and Taiwanese English teachers on staff. The teachers have designed immersive courses that allow the children to role play in a whole language environment. Students will experience many different scenarios during their stay. The restaurant scenario for example, allows the student to sit down, relax, and order a meal. In the airport they are whisked away to a foreign destination. In these types of settings the students will be motivated to learn English in a way that is different from the standard classroom environment. And it will provide the needed interaction with native speakers. It is our goal to keep students motivated long after their experience with us at WIEV.

We would like to thank the Formosa Plastics Group for their donations and effort to help the children of Chiayi County. Without their support and hard work, this project would not be possible. We would also like to thank all others that have contributed, and to their continued support, of this worthwhile project.

Wenguang International English Village is for the children of Chiayi. The children are the future of Taiwan and they will prosper. Taiwan will prosper.

面對國際化與網路快速發展下，世界如同一個地球村，英語與國際接軌兩者關係密不可分。影響英語學習因素很多，其中環境是重要因素之一，例如：老師豐富的教學及引導，出國旅遊體驗當地風俗民情都可以提升英語力。許多嘉義縣的孩子從國小三年級就開始學英語，但他們沒有機會出國也少有機會與外國人以英文交談，而嘉義縣文光國際英語村正是專為提供孩子體驗學習所籌設的住宿型營隊。

嘉義縣政府提供本縣五年級學童免費體驗5天4夜營隊課程，由中外籍專業英語教師進行英語體驗教學，讓學童英語口語表達與生活自理能力更加倍。

在嘉義縣文光英語村內，孩子可以在輕鬆的環境下和外籍教師練習會話；在模擬機艙裡，學生練習以英文向空服員點餐；在商店中，學生練習以英語向店員詢問商品位置、商品折扣、結帳；在飯店的學習情境，學生練習訂房、退房的英文對話，嘉義縣孩子在英語村中與外師互動，建立國際觀並學習接納多元文化，除此之外，英語村以嘉義縣十八鄉鎮與阿里山鐵路設計在地課程，希望藉此讓嘉義縣孩子們更了解自己的家鄉。

期盼在嘉義縣文光國際英語村正式營運後，嘉義縣孩子們在英語村生活化的情境中，愉快且有效的學習英文，期許孩子成為在地關懷與國際競爭力的全方位人才，進而奠定日後語言學習的基礎。

嘉義縣教育處長 **王建龍**

With the trend towards globalization and the fast development of network, English is fast becoming an international language. There are many factors that affect English learning and a functional English environment is crucial. For example, teachers' guidance and going abroad can both develop students' English ability.

In Chiayi County, many children begin learning English in third grade, yet many of them don't have opportunities to go abroad. They seldom have chances to talk to native English speakers. English village provides different scenarios for students to learn and use English through interaction with native English speakers.

Chiayi County government provides fifth - graders with the opportunity to experience five-day courses with both foreign and Taiwanese teachers in order to improve students' oral and listening skills as well as learning to feel confident taking care of themselves in an English environment.

In Chiayi Wenguang International English Village, students can practice English in a relaxed setting. In the airplane cabin classroom, students learn how to order an in-flight meal by communicating with a flight attendant. In the store classroom, students will buy items and pay for them. In the hotel classroom, students will learn how to check-in and check-out of a hotel. Students will gain a global perspective and learn to accept other cultures by interacting with the foreign teachers. Furthermore, they will learn more about their own hometown and themselves by being exposed to the culture class.

The English Village will provide a good environment for students to develop their language skills, help them to build their English ability, and open their eyes to a whole new horizon.
